1	Introduction	2
2	Methodology and Implementation	3
2.1	Analysis of the Algorithms	3

Chapter 1

Introduction

This is the introduction of your report. Here you can describe the background, objectives, and structure of your project.

Chapter 2

Methodology and Implementation

This chapter covers the technical details, algorithms, and design choices.

2.1 Analysis of the Algorithms

You can use sections to divide your chapters into smaller, readable chunks.
